

About *Language Education in Asia*

Background Information

Language Education in Asia is a publication that presents well-researched aspects of language education and learning, innovative, practical approaches to classroom practice, and discussion of relevant issues in the field of TESOL in the Asian region. Papers can be submitted by educators, educational leaders, and researchers; all papers are blind-reviewed by members of the Editorial Board. Beginning with the 2011 Volume, accepted papers are published on a biannual basis. Submissions are welcome and will be considered in an ongoing process throughout the year. The first issue of each volume will highlight exceptional papers presented at the annual CamTESOL Conference Series during that publication year. Each volume is initially online for public viewing on the CamTESOL website: <http://www.camtesol.org/>

The *Language Education in Asia* Advisory Board

Since 2011, IDP Education has invited a number of eminent ELT professionals, including several recent CamTESOL plenary speakers, to join an Advisory Board for the *Language Education in Asia* publication. The Advisory Board will offer advice as the publication is developed and expanded.

- **Teaching Practice** focusing on classroom-based and action research more directly related to the realities of language teaching in the region. Maximum 3,500 words.
- **Commentary** focusing on well-researched, balanced reports and discussions of current or emerging issues in the Asian region. Maximum 2,000 words.
